Movie Viewing

All Campers:

My child may watch movies which are rated ___PG (Parental Guidance Suggested) ___PG13 (Parents Strongly Cautioned)

This section is for Campers 13 and over ONLY. Those under 13 will never have option of viewing a rated R movie:

Parent and camp agreement for the viewing of rated 'R' movies – Occasionally we are invited to screen movies, including those with 'R' ratings. We will never participate as a camp if the movie is rated 'R' based on sexual content. We will, however, attend if the YAC Director's research concludes BOTH of the following: 1) the movie was rated 'R' based on minimal language and/or violence. 2) The language and/or violence are within an artistic realm aimed at generating discussion among our teen actors.

Read carefully and initial all that apply

_____ My child is never to view rated 'R' movies. The highest rating allowed is __. (This decision is kept confidential and no child will be publicly noted as having this restriction. Another activity of equal value (fun/interest) will be assigned).

_____ My child can view the rated 'R' movies as a camp event and/or as described above.

_____ My child (15 and older) can view rated 'R' movies when allowed to make choices during free time at the local theater (the YAC Director will not review movies for public view in the theater).

_____ Please call me prior to the screening to discuss the movie, its content and the particular event.
